A great interview !

"Two female basketball players came in our classroom today !

Their names are Ljiljana Tomasevic and Kirsten Jeter. Kirsten lives in NYC (Long Island) and Ljiljana is from Serbia. Ljiljana is 24 years old and she has a boyfriend. She plays in Aplemont with Kirsten. She likes Le Havre and she LOVES Paris ! Unlike, Kirsten she speaks French a little ! We asked them many questions about sport and everything... We discovered that Kirsten loves sleeping ! At the end, we took photos and they signed a ball in the yard.

Thank you for this awesome visit ! It was too short !"
